Sir,

Subject - Continuance of the Temporary Establishment entertained for the maintenance of the Septic tank in the Municipal Sewage Farm

---

I have the honor to state that in order to ensure the satisfactory working of the septic tank in the Sewage Farm, it was absolutely found necessary that arrangements should be made for desilting and cleaning as often as necessary the grit and screening chambers therein There are two screening chambers and one set of grit chambers consisting of three compartments The time taken for silt to fill up each compartment is about 10 days and 15 men are required to desilt it within a period of 7 days As only one chamber could be cleaned at a time, leaving the other two for receiving the sewage, at least 15 men are to be employed for the purpose Including the cost of tools required for cleaning, an estimate for Rs 2,500/- providing therein for the employment of 15 men on Rs 10/- per mensem for one year was placed before the Health Committee on 14-6-1943 when they resolved as follows -

"For the current year, establishment required may be taken as was done hitherto as and when required Specific proposals for next year may be put up "

continuance of the temporary Establishment of the Septic tank, Mysore
4340
be debited to the provision for 8509/-
make under Pipe Line Establishment

To

Accordingly, an estimate for Rs.1,000/- providing for 12 sweepers at Rs 10/- per mensem with the usual dearness allowance and for purchase of Tools etc , for the first half of the current year was placed before the Health Committee on 16-10-1943 and the Municipal Council on 25-10-1943 when they sanctioned the estimate

As the continuance of the establishment was found absolutely necessary, a like estimate for Rs 1000 was placed before the Municipal Council on 23-12-1943 when they sanctioned the same (resolution copy enclosed) The expenditure in this behalf will as usual be met out of E2 (a) Pipe Line Establishment by re-appropriation of sanctioned allotments

In the above circumstances, I request you kindly to obtain early sanction of Government to the continuance of the establishment till the close of the current year, as the present term exceeds six months

Subject Continuance of the temporary establishment for the maintenance of the Septic Tank in the Municipal Sewage Farm, Mysore

---

With reference to your letter No L 7822 /Ml 11-43-63 dated 29th Jan 1944 on the above subject, I have the honour to state as follows -

1 This establishment has been maintained since 23-2-1943,

2 The expenditure will be met out of the budget provision under Pipe Line Establishment for the year 1943-44,

3 The strength of the establishment so far maintained in 1942-4 and 43-44 is 12 men,

4 Prior to the entertainment of this establishment, the work was being attended to by five scavangers attached to the Pipe Line and Mohalla establishment,

5 In order to have effective septic action it is found absolutely necessary to keep on cleaning the grit and screening chambers one after another continuously Hence the idea of engaging a gang of coolies just when the work is to be done and disbanding it afterwards, had to be given up,

6 The expenditure required in this behalf will be budgetted under Municipal Sewage Farm from 45-46,

7 The expenditure incurred during the year 1943-44 may be debited to '2 (a) Pipe Line Establishment' for which a sum of Rs 8,460/- has been provided in the revised budget estimates of the year 1943-44

As the period of sanction of the establishment expired at the end of June 1944, the Municipal Council have santioned the continuance of the establishment for a further period of six months from 1-7-1944 in their meeting held on 29th July 1944, and a copy of the Resolution No 931 dated 29th July 1944 is herein enclosed for favour of sanction

A sum of Rs 8,500/- has been provided in the budget estimate for 44-45, under Pipe Line Establishment,
/including a sum of Rs 1,500/- for meeting the cost of this temporary establishment

I request early sanction of Government for the continuance of the

As this gang is doing an important work which cannot be avoided, it is felt desirable that this gang should be made permanent very early Till this is settled, sanction may be accorded to continue the gang for six months more (from 1-7-1944)
